On June 25, at our annual free Parish Picnic at Freedom Park off Skidmore Road, at 4pm, we will conduct our **2006 CAPTAINS CLUB DRAWING**, a 50/50 raffle which gives our people and their friends a chance to win part of **\$15,000 in prize money**.

Only 300 tickets will be sold, at \$100 apiece, so everyone's chance of winning is very good. Half the pot of \$30,000 gets paid out in Winnings and Captains' Rewards, and the other half is for the benefit of our parish.

With your help, all 300 tickets will be sold. But even if fewer than 300 are sold, we guarantee that all the prizes and rewards will be given out. The church portion will be less.

The reason we call this a **CAPTAINS CLUB** is that the seller of each ticket – a "Captain" if you will – also receives a certain amount of money as a reward for selling a winning ticket. The idea is to encourage you to buy a ticket for yourself, and in addition, to invite family or friends who live elsewhere to buy tickets too. You know people who love to take chances; invite them to take this chance for the benefit of your parish. You may give chances as a gift; give one of these tickets, and if they win, so do you.

We have done this CAPTAINS CLUB several times already, and the results have been good for the winners and for our parish. ***But please note: the date for our next drawing is relatively soon – Sunday, June 25. So please plan to make your ticket purchases soon.***

You do not have to be at the free Parish Picnic to win, but the drawing, held at 4pm on June 25, will add another interesting element to a fine family day.
